

Dear valued customer,

For over 40 Years, COES has been offering its customers, among other products, the latest in office equipment technology from JAPAN (TOSHIBA Copiers & FAXES), SAMSUNG printers and low range MFDs, large automated office and industrial filing systems (KARDEX) and Document Shredders from HSM/Primo Germany & Fireproof Eagle Safes from Korea.

COES is continuously developing its expertise in office technology and is focused at providing its customers with necessary tools to keep their business well ahead in office automation.

In 2003, COES established a subsidiary in Doha, Qatar to offer same office equipment and solution to the Qatari market.

In 2010, COES established a subsidiary in Dubai, to offer Managed print solutions to **UAE** market
