A 3D graphic on a purple background. In the center is a large, bright pink plus sign. To its right is a white computer monitor with three colored window control buttons (red, yellow, green) at the top. Above the plus sign is a yellow 3D curved shape. The background is a solid purple color with rounded corners.

about us

A design concept studio run by creative enthusiasts, and a laboratory of magic. With a well-structured project management and execution strategy we have managed to present our mastery to the high-profile clientele base we are proud to have built over the years. Design Mania is guided by its aspiration to alter the design scene within the domestic market and abroad.

Mission

To use our knowledge to fuel change. To use our expertise to help our clients leap forward, and to achieve unprecedented results.

Vision

We aim to deliver effective outputs for brands and create a business world full of creativity, meaning, and connection for all.
